

M. David Goodwin, *Dayton Daily News/Cox Ohio Publishing*

The brutal reality facing today's media requires putting our best people on our biggest opportunities. [Angelo's] record as a journalist in every discipline—in print, broadcast, online, as an educator and businessman—speaks for itself. He is relentlessly disciplined, passionate and organized to confront the difficulties littering our path and will help us focus on the key things that will have the greatest impact for our individual and collective successes.
